The Motor Vehicle Insurance Limited (MVIL)

Attention: The Manager
Registration & Licensing Division

Dear Sir/Madam,

Subject: Clarification of Vehicle Ownership and Request for Update of Registered Name – Toyota Hilux BEU 219.

We write to provide clarification regarding the ownership, registration status, and intended use of the following motor vehicle, in support of our application for renewal of registration:

Vehicle Details:

- Make/Model: Toyota Hilux Double Cab
- Colour: White
- Registration Number: BEU 219

The above vehicle is owned and operated by the **NCD Small Craft Registration Board**, a statutory program operating under the **National Capital District (NCD)**, established and mandated by the **Small Craft Act 2011**. The Board is a government regulatory authority and **does not operate as a business entity**.

Background and Ownership Clarification

In 2022, the vehicle was donated by Ela Motors Limited under its Corporate Social Responsibility (CSR) Program to support the operational and regulatory functions of the Small Craft Registration Board.

At the time of registration, the program was officially registered as “**NCDC and Motu Koita Assembly Small Craft Registration Board**.” Subsequently, the Board resolved to rename and rebrand the program as “**NCD Small Craft Registration Board**,” reflecting its institutional alignment under the National Capital District.

The mandate, functions, and ownership of assets of the Board **remain unchanged**, and the vehicle continues to be used strictly for **official government purposes**.

Ownership Status and Request

We respectfully request that the ownership of this vehicle be recognised and recorded under “NCD Small Craft Registration Board,” as a statutory program operating under the National Capital District, until and unless the Board determines otherwise through future formal resolutions.

In addition, we kindly request that MVIL update its records to reflect the current and correct registered owner name, replacing the former program name.

We understand that MVIL is reviewing ownership classifications under updated system requirements. We clarify that the Board:

- Is a **statutory authority**, not a business entity;
- Does not possess a TIN or IPA Business Certificate; and
- Operates solely in the public interest under legislative mandate.

A **Statutory Declaration** is attached to formalise this update, should MVIL require.

We appreciate your assistance and look forward to your guidance on completing the registration renewal process.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Ryan Pini".
