

NATIONAL CAPITAL DISTRICT SMALL CRAFT BOARD

WORK PLAN

A. AWARENESS:

The Awareness Program is proposed to start on **Tuesday 27th July 2021** in Motu Koita East and then to Motu Koita West. We anticipate to run for at least 2-3 weeks.

The purpose and aim of this Awareness is basically to inform all the Motu Koita Villagers and those using small crafts along the shore line and sea areas of the Motu Koita villages about the *Small Craft Act 2011* and the *National Maritime Safety Authority Act 2003*.

We propose for these particular issues to be addressed in detail, with assistance from NMSA:

- Safety at Sea
